

Kelly's Cookie Dough Cookies

Ingredients

90 grams butter
1 cup white sugar
2 eggs
1 teaspoon vanilla
1 teaspoon salt
2 1/2 cups SR Flour

Method

Step 1: With a Fork mix together sugar and butter
Step 2: Add eggs and vanilla
Step 3: Add salt and Flour
Step 4: Mix with hands into dough
Step 5: Roll into balls and bake in an 180° C oven for about 10 minutes

Hint: Decorate them how you like or throw into some white or milk choc chips.

WARNING: Don't overcook - the cookies should be still soft when you take them from the oven. Cook until only just coloured. Allow to cool for 10 min before serving.

ENJOY!

(and try not to worry about the mess)
