Mermaid Peg Doll

YOU WILL NEED:

- Tail template
- 3 metres of wool
- 2 x 9cm x 9cm cardboard squares
- Wooden peg doll
- Coloured pens
- Craft glue
- Scissors

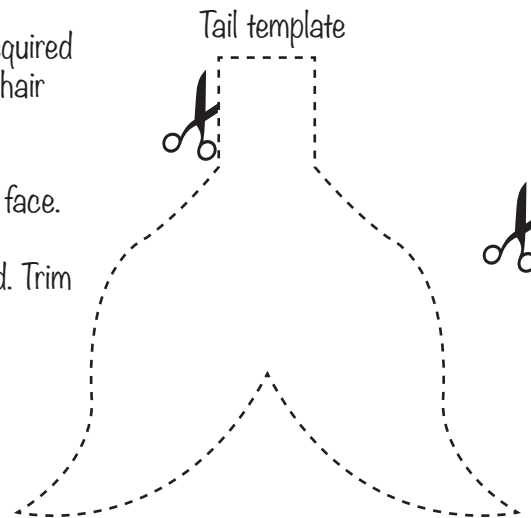

9cmx9cm square templates

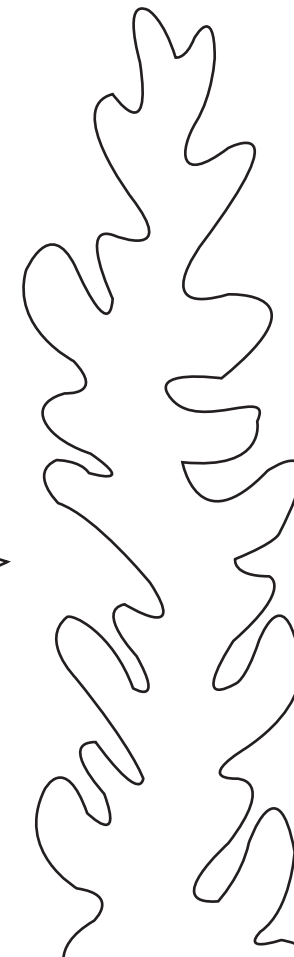

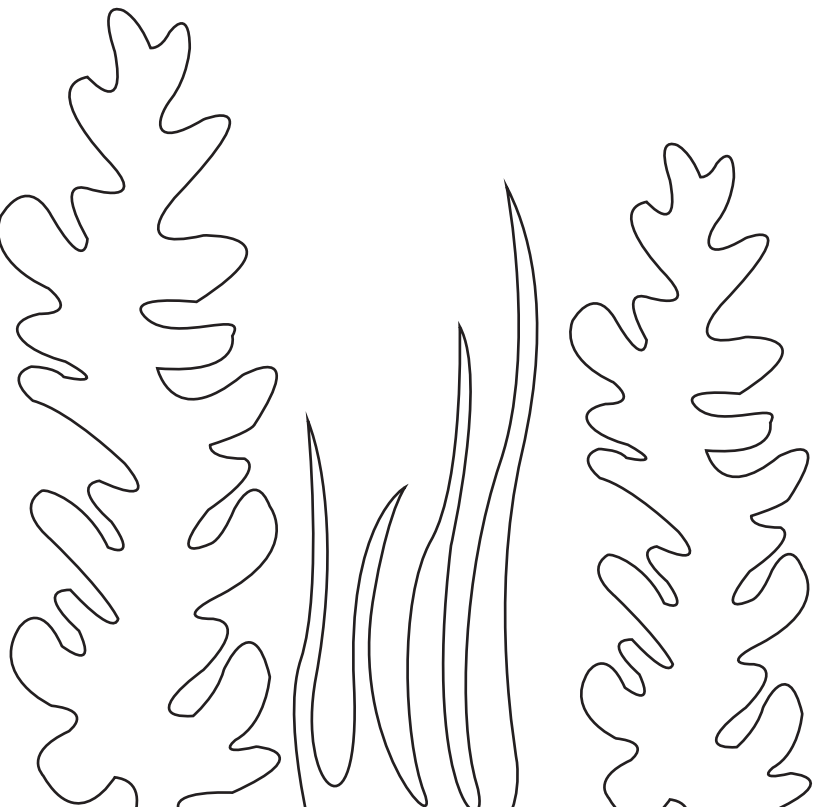

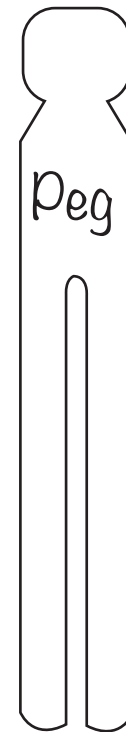

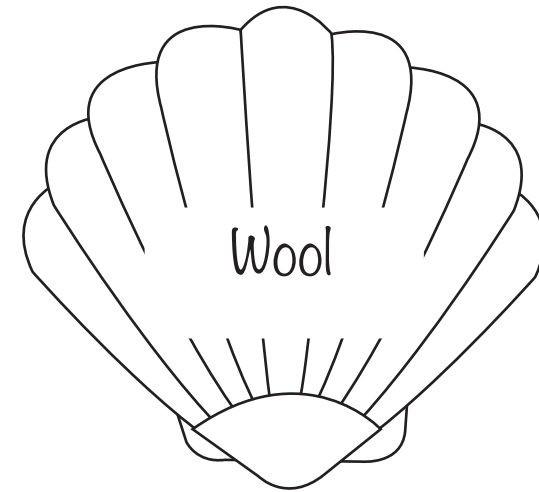

1. First, use the square templates to cut out 2 x cardboard squares.
2. Using the tail template, cut two tails out of your 9cm cardboard squares and glue together.
3. Wind length of wool back and forth to approximately double the required length. Using a small piece of wool, tie a knot in the middle of the hair length and trim ends.
4. Add details on the wooden peg. Colour in a tail, swimmer top and face.
5. Glue the tail inside the peg opening and attach the hair to the head. Trim hair to desired length.
